### TYLER LOVES...OSiS Grip, OSiS Buff & OSiS Magic

"I love **OSiS Grip's** light weight feeling and the amount of body it adds to the hair without weighing it down! I also love it that it doesn't get crunchy like old school mousses.

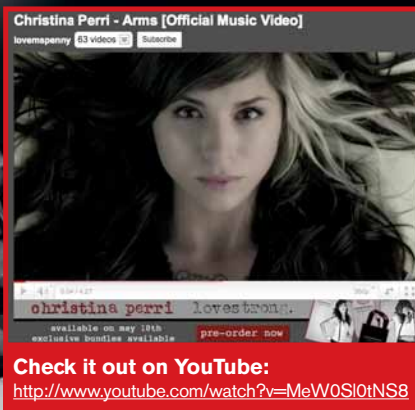

The **OSiS Buff** and **OSiS Magic** cocktail is great for blowing-dry the hair; adding texture and shine. Clients love the fragrance of **OSiS Elastic** and most importantly that they can touch their hair without it feeling hard and crunchy. They can brush it out without any build up even when we have been spraying it all day for shoots. The hair is still shiny and fresh feeling after a 10+ hour day!"
